Pictures:

- Randomly Generated using: “UI Faces” Plugin
- An account icon will be in the upper left on each screen except when in game.

Buttons:

- The back buttons will be small icons in the upper left of the screen.
- Ready and confirm buttons are in the bottom left of the screen. They are rectangles.
- Back and leave buttons are in the bottom right of the screen. They are also rectangles.

In-Game Styling:

- There will be a chat box near the bottom of the screen
- There will be rows of players in the game, which are selectable when voting someone off
- There is a tab over “instructions page” on the right side of the screen. It is accessed by a little thumb icon.
